## SAMPLING GUIDELINES

**\*\*\*If your company does not involve food or beverage related products you may ignore this section.\*\*\***

**If you plan on sampling or selling any food/beverage related products at the SW USA event on May 4th, you need to take action with the City of Plano Health Dept.** If you are questioning if you need a permit or not please contact the health dept directly. We would hate there be an issue onsite and you get fined by the health dept or asked to leave. **Food samples that are pre-packaged prior to entering Plano Event Center and DO NOT require temperature control, DO NOT require a temporary food permit.**

You will find 3 different informational documents below from the City of Plano regarding

their health regulations and expectations. The last document is the actual permit you will need to complete and submit to the City of Plano Health Dept. Contact information is also listed below for you.

[Temporary Food Permit Vendor Checklist](#)

[Temporary Food Permit Application](#)

**The City of Plano Health Dept.**

**Phone: (972)941-7143**

Website: <https://www.plano.gov/346/Temporary-Food-Events>

### **Standard Sampling Requirements & Permit Info**

■ Food samples that are pre-packaged prior to entering Plano Event Center, but DO require temperature control, meaning the product has to be held hot or cold, DO require a temporary food permit.

■ Food samples that are not pre-packaged prior to entering Plano Event Center, regardless of temperature control, is considered food handling and requires a temporary food permit.

■ All food samples are 2 oz.

**\*\*\*If you are required to obtain a permit, then you will be required to have proper sanitation requirements set up in your booth for the duration of the event. The sanitation items they may require are detailed out in the documents above and we will have some supplies onsite for anyone who may be missing something.**

### **Vendors Selling Food Items Info**

■ Vendors are permitted to sell pre-packaged food items that DO NOT require temperature control and are intended to be consumed at a later date without a temporary food permit. For example: Vendor is selling pies, dip mixes, cakes, cookies, popcorn.

■ Vendors are permitted to sell pre-packaged food items that DO require temperature control and are intended to be consumed at a later date, however, a temporary food permit from the City of Plano is required.
